## FROM THE VILLAGE PRESIDENT

By: Larry Franks

The Board of Trustees and I are looking forward to our big spring project of getting the Hazen Park playground project going and everyone being able to enjoy ball games again this summer. We continue to work with the playground committee on raising funds. Thank you to everyone for supporting the Back-the-Brick fundraising efforts. I also want to thank Brian Meharry and the Philo Township for letting us store the equipment in their maintenance shed.

Plans are in the works for our summer road projects and with the help of federal funding, we are looking into a long overdue drainage project.

In February, Lieutenant Tony Shaw of the Champaign County Sheriff's office attended the meeting to address some concerns by Trustees in regards to the patrols Philo receives and some safety issues. In this newsletter are his recommendations for keeping you and property safe.

Our condolences go out to Trustee Rachael Garrett and her family at the passing of her father Allan Miller. Many of you knew Allan as a long-time employee of the Village of Philo starting with grounds and moving to the R. E. Franks Center as custodian, building maintenance and event staff. Allan was also a past volunteer with the Philo fire department and known around town as a trusted mechanic. He will be missed by many.

As always, stay safe on the roadways and watch out for farm equipment this spring. Planting season is right around the corner.

## IN OTHER VILLAGE HAPPENINGS

Notes from the meeting minutes:

**December** – All bills in order and paid. Comcast Franchise Agreement discussed and renewal unanimously passed. New light pole at R E Franks Ctr playground requested. Sidewalk work on N. Harrison continues. Contract with Champaign County Sheriff office tabled to January.

**January** – The playground equipment has been delivered and being stored at the Township shed. Champaign County Sheriff contract was discussed. After extensive discussion the board voted unanimously to authorize the Village President to sign the contract as presented.

**February** -- Minutes will be approved at the March board meeting to be held Wednesday, March 9, 2022 at 7:00pm in the Eileen Painter Room of the R. E. Franks Meeting Center.

The agenda for each meeting is posted 48 hours prior to the meeting on the Village web site [www.villageofphilo.com](http://www.villageofphilo.com) under the *About Philo-Village Board* tab. Meeting minutes are posted after they are approved at the following monthly meeting. The public is invited to attend meetings.

## Community Clean-Up Day Scheduled

Mark your calendars for the spring clean-up and recycling day on **Saturday, April 30** from 7:00 am - Noon at the corner of Washington St. and Adams on the Premier Cooperative lot. Reminder: this event is open to Philo residents only. Philo Exchange Bank will also be hosting a Shredding Day.

## Sledding!

The hill has been a great source of entertainment this winter. Hopefully, we won't have any more snows, but keep in mind that sledding on the hill at the water tower is at your own risk. **Motorized vehicles of any kind are not allowed on the hill any time of the year.**

## Youth Summer Ball Leagues

The Philo Ball Park Association is looking forward to getting back in the "swing" of things this summer. Sign-ups were in February. If you missed signing up or just moved to town, visit our web site for more information. [www.villageofphilo.com/parks](http://www.villageofphilo.com/parks)

### Exercise With Caution!

It's great that so many people in the community enjoy getting out and walking, running, biking or taking care of their pets. Warmer weather months will bring more people out to enjoy these activities. To help enjoy the outdoors safely, please wear reflective gear and bright colored clothing. If it is dark, along with the reflective gear, wear or carrying a light. Rules of the Road dictate that walkers and runners face oncoming traffic. When biking, follow the rules of going with traffic. Be aware of your surroundings. If you are on a hill, be sure to move to the side of the road and possibly stop until the vehicle has passed. Always assume the driver does not see you. Unfortunately, in this day of distracted driving they probably do not. Drivers, PUT DOWN THE PHONES! The R. E. Franks Center is open Monday – Friday from 7:00am – 9:00am (no pets allowed).

- Keep a current inventory of items in your home/garage/sheds/storage units
- Limit the number of people who have a key to the residence or garage door code
- Make sure your house is well-lit and has functional indoor & outdoor lighting
- Consider purchasing home security devices and/or motion detector lights
- Pets are a good deterrent as well
- Keep foliage around the house trimmed to avoid blind/hiding spots
- If out of town, have someone check the residence. You can also request a "vacation watch" through the Champaign County Sheriff's Office.

### Bear Foot Flooring

By Lucy Kleiss – St. Thomas School

Joey Hoffman is the one man show in charge of **Bear Foot Flooring**. He specializes in flooring and tile installation for people's homes. He says his favorite part is when it's done because he loves to see the finished project. He looks at Bear Foot as his artistic outlet. He started his business in fall of 2019 after having 15 years of experience in contracting. When asked about any complications he faced during the pandemic, Joey said the biggest change was having to wear a mask. Since Joey only does residential flooring and tiling, he goes to the client's house to do the work, and he's always sure to ask what the customer is comfortable with. After all, the customer is always right. In his free time, he loves to go fishing at Clinton Lake and to watch sports. At home, he has three kids and an energetic dog named Lucky. Joey said his most memorable moment was getting his CFI certification (Certified Flooring Installer). He is always keen to learn as much as he can to benefit his customers. Joey does all sorts of flooring types, including tile, wood, vinyl and laminate planks. So, if you ever need to put in a new floor or backsplash, be sure to talk to Joey. You can find him on Facebook and at 217-621-6031.

### August 1972

#### New Shop to Open in Philo

August 8 is the date set for the opening of a new specialty shop west of Philo to be called the Wool 'n Wood Shop. The specialty shop will be operated in the living room of Maurice and Linda McCoy's farmhouse located ¼ mile west of the intersection of Rt. 130 and the Philo Road.

A hobby of doing wood turnings by Maurice and of doing needlework by Linda will soon turn into a way of making extra income. Handmade lamps, desk sets, lighters, and other wood items will be featured, including supplies for needlework. Gifts or special knickknacks can also be made to order, if need be.

The shop will be open from Tuesday through Sunday. The McCoys also plan to sell on consignment. So, if you're looking for that hard-to-find special gift, chances are pretty good that you'll find it when the Wool 'n Wood Shop opens for business Tuesday.

#### Something New For '72 In Philo Library

If you're suffering from the winter doldrums, try some of the craft books which you can obtain in the Philo Library. They cover everything from needlepoint to collage that will interest the entire family. There is a little free booklet for you in the library listing 10 pages of craft books including such subjects as "Building with Cardboard", "Flower Making", "Macrame", and "The Gadget Book" which are available through the Lincoln Trails system in your library.

This year the library has subscribed to two new monthly magazines, "Plane and Pilot" and "Hot Rodding", which will probably be as popular with the young men as "Seventeen" is with the girls. "Hot Rodding" contains articles such as "Milwaukee's World on Wheels", "Smog-Free Performance Tune-Up", and "More Ponies for the Pinto". Some of the articles included in the January "Plane and Pilot" are: "I Flew the Lancer.....and Lived", "There I Was at 2000 Feet in a Red Funk", and "Piper's Pickup and Go Plane". If these subjects interest you, check out your new magazines.
